

TIDBITS

INSPIRATION FOR *tasty* LIVING 

Thank you for your interest in working with TIDBITS at <https://tidbits-marci.com>

My name is Marci and I am the author, creator, and photographer of the food side of TIDBITS. I have a passion for healthy, whole grain and naturally sweetened food and I love to create recipes that prove wholesome food is not only extraordinary, but accessible to all. My recipes have an emphasis on the exploding trend of Electric Pressure Cookers (AKA Instant Pots) and I love to show people all that this incredible appliance is capable of.
